

Newworld Coaching Integrity Agreement

Terms and conditions

I understand that by agreeing to the terms and conditions of this contract I am expected to play the **Newworld Coaching Beehive Game Online** with integrity and respect for others.

I agree to only ask for leads that I am seeking (for myself or others) and not to attempt to directly market my services or the services of others using the **Newworld Coaching Beehive Game Online**.

I understand that I will be given the opportunity to pose one (1) question/week to the “Hive” and that my questions must be in good taste.

If any question is posed by me that **Newworld Coaching** finds offensive or generally not following the integrity of the game, I understand that I will be contacted by email or telephone by **Newworld Coaching** to discuss this matter.

I understand and accept that it is well within the discretion of **Newworld Coaching** to remove me from the “Hive” at any time and no refund will be offered to me.

I promise to play the game and to give leads to the best of my ability.
